### About this item

- Imaging Above Everything - With a 4/3 CMOS Hasselblad Camera, the sensor provides a 12.8-stop dynamic range that retains more details in highlights and shadows, upgrading your work to a professional level.
- 46 Minutes of Flight Time - Stay in the air longer and capture more with a breathtaking max flight time of 46 minutes. This lets you get all the shots you want on just a single battery.
- Fly Safer - DJI Mavic 3 drone with camera is equipped with advanced Omnidirectional Obstacle Sensing. This lets you fly confidently and safely wherever you are.
- Explore and Capture more - the DJI Mavic 3 drone offers a 15-kilometer max transmission range, which means you can fly farther to explore and capture more. And with the O3 plus Transmission system, live feeds are smooth and stable.
- Smart Return to Home - With a new Advanced RTH system, Mavic 3 camera drone can return to its home point on a fast, safe, and optimized route. Whether activated by low battery or the pilot,
